Stamford, CT-06902, USA.

Dear Dr. Sarker:

Please find enclosed a manuscript entitled: "Developing Study Program Choice by Using Neural Network" which I am submitting for exclusive consideration of publication as an article in American Journal of Engineering Research (AJER).

The paper demonstrates Artificial Neural Network capability to help high school graduates find their best major in university. As such this paper should be of interest to a broad readership including those interested in computer science particularly artificial intelligence.

Thank you for your consideration of our work! Please address all correspondence concerning this manuscript to me and feel free to correspond with me by e-mail donny@uty.ac.id or aviantodonny@gmail.com

Sincerely,

Donny Avianto
