Abstract

The purpose of this study was to analyze the promotion strategy through social media in increasing tourist interest in visiting the Sonobudoyo Museum, using Instagram, Facebook, Twitter, and Tiktok. The research method used is a qualitative descriptive method. Data collection techniques were carried out by means of interviews, observations, documentation and literature reviews. The results of the study indicate that the role of the Sonobudoyo Museum's social media in promotion among young people is very significant in disseminating information. The concept of digitizing the Sonobudoyo Museum has proven effective in attracting tourist interest. It can be concluded that the Sonobudoyo Museum has succeeded in increasing the number of visitors to the Sonobudoyo Museum by utilizing Facebook, Instagram, Twitter, and Tiktok. The use of these four social media platforms has resulted in an increase in the number of visitors each year.
