*This study concerns about idiomatic expressions found in Jack the Giant Slayer Movie. The writer is interested in the movie because the players who play in this movie speak British English with the adventure fantasy theme. Many expressions cannot be translated word by word. Thus the writer tries to analyze the hidden meanings behind the phrases, sentences, and utterances.*

*This research has three objectives. The first one is to find out idiomatic expressions used in this movie. The second is to find out the types of idiomatic expressions used in this movie. The third is to analyze the connotative meanings of idiomatic expressions used in this movie. The method of research in this study is descriptive research. The reference books were used as the basic theories to find the types of idiomatic expressions and the connotative meanings in it. The object of this research is Jack the Giant Slayer Movie. The data of this research are in the form of words, phrases, and sentences.*

*The result of this research shows that the types of idiomatic expression found in Jack the Giant Slayer Movie are phrasal verb idiom, noun idiom, irreversible binomial idiom, phrasal compound idiom, incorporating verb idiom, and pseudo-idiom. Based on the findings, phrasal verb idioms are the most used type of this idiom. This is because this type almost appeared in every scene in the movie.*
