

ABSTRAK

Pelaksanaan Audit Siklus Penjualan dan Pengumpulan Piutang PT GG Tahun 2017 Oleh KAP Amachi, Arifin, Mardani dan Muliadi Jakarta Pusat

Laporan Tugas Akhir disusun setelah penulis melakukan magang di Kantor Akuntan Publik Amachi, Arifin, Mardani dan Muliadi (KAP AAMM) Jakarta Pusat. Selama magang penulis ikut serta dalam melaksanakan audit laporan keuangan PT GG tahun 2017. Tujuan dari laporan tugas akhir ini adalah untuk mengetahui pelaksanaan audit yang dijalankan oleh kantor akuntan publik. Objek penulisan adalah pelaksanaan audit untuk prosedur pengujian akun kas dan setara kas, piutang usaha, piutang lain-lain dan penjualan. Tahap pelaksanaan audit untuk akun kas dan setara kas, piutang usaha, piutang lain-lain, dan penjualan adalah prosedur audit awal, pengujian pengendalian, pengujian golongan transaksi, pengujian rinci saldo akun, dan penyajian dan pengungkapan. Prosedur-prosedur tersebut tertulis dalam program audit yang harus dilaksanakan oleh auditor untuk mengaudit akun kas dan setara kas, piutang usaha, piutang lain-lain, dan penjualan. Hasil peroses menyatakan bahwa akun kas dan setara kas, piutang usaha, piutang lain-lain, dan penjualan disajikan wajar sesuai SAK.

ABSTRACT

Audit Implementation on Sale and Collection Accounts Receivable Cycles at PT GG in 2017 by Amachi, Arifin, Mardani dan Muliadi Public Accounting Firm in Central Jakarta

The Final Project Report was prepared after the author conducted an internship at Amachi, Arifin, Mardani and Muliadi Public Accounting Firm in Central Jakarta. During the internship the author participated in conducting an audit of PT GG financial statements in 2017. The purpose of this final project paper is to know the implementation of audits run by the public accounting firm. The object of writing case is the implementation of audits for testing procedures for cash and cash equivalents, accounts receivable, other receivable, and sales. The audit implementation phases for cash and cash equivalents, accounts receivable, other receivable, and sales are the initial audit procedures before conducting test of control procedures, test of transaction, detail of balance test, and presentation and disclosure. Such procedures are written in the audit program to be performed by the auditor to audit the cash and cash equivalents, accounts receivable, other receivable, and sales. The results of the process reveal that those cash and cash equivalents, accounts receivable, other receivable, and sales are presented as reasonable according to the Financial Accounting Standards (SAK).
