Transparency and accountability in financial statements are very necessary, so that financial report users can understand the conditions of non-profit organizations and can assess the performance of non-profit organizations. To support transparency and accountability of financial statements of non-profit organizations, the Indonesian Accounting Association has made PSAK No. 45 about financial statements of non-profit organizations. The purpose of this study is to present the financial statements of the Dompet Dhuafa Yogyakarta institution based on the Statement of Financial Accounting Standards (PSAK) No. 45. Dompet Dhuafa in the preparation of financial statements did not use guidelines that apply to non-profit organizations. One way for Dompet Dhuafa's financial statements to be easy to understand, relevant, and has a high appeal is that Dompet Dhuafa must prepare financial statements based on PSAK No. 45. Procedures in preparing financial statements of Dompet Dhuafa Yogyakarta are to record daily transaction data into special journals, post special journals into ledgers, create a trial balance before adjusting, make adjusting journals, create a trial balance after adjustments, create a balance sheet and make financial position reports , activity reports, and cash flow reports. The procedures were carried out in accordance with the Statement of Financial Accounting Standards No. 45 (PSAK No. 45).
