Kepada: ramon.medriano@site.edu.au

Dear Dr. Ramon,

Please find the attached file of my revised article. Response to your comments:

1. Bio-Profile of other authors have been provided
2. Study design and methodology have been included in the abstract
3. Research gap has been included in the abstract
4. The pedagogical implications have been provided after the conclusion
5. The manuscript has been checked, and some items were adopted and created based on the nature of the study.
5. Since the instrument was adapted, then some items were taken and some not in connection with the nature of the study.

Thank you very much,
Best regards,
Sayit
