ABSTRACT

PT. Centra Artha Prima is an Occupational Safety and Health Service Company (PJK3). The company is registered with the Ministry of Manpower of the Republic of Indonesia and is committed to improving customer competence on health and safety in all industries. PT. Centra Artha Prima which is located on Jl. Student Army Palace Km.10 Taman Palagan Asri 3, Sariharjo, Ngalik, Sleman Yogyakarta. PT. Centra Artha Prima always prioritizes quality training to meet customer satisfaction. To register for training at PT. Centra Artha Prima, participants must come directly and wait for the registration process at PT. Centra Artha Prima. In addition, the administration of PT. Centra Artha Prima is also often overwhelmed in processing the data of the training participants. Therefore, it is necessary to build an information system that is able to display information about training, serve prospective trainees as well as in handling training participant data which can later be accessed by participants so that they no longer need to come directly to PT. Centra Artha Prima to get information and can also be accessed by PT. Centra Artha Prima.
